

New Facility Information

Welcome to our Network:

We welcome your facility to **Comagine Health ESRD Network 18**, and look forward to working with you and the rest of your staff. As you may already know, the mission of the Network is to promote optimal dialysis and transplant care for kidney patients in California located throughout Imperial, Inyo, Kern, King, Los Angeles, Orange, Riverside, San Bernardino, San Diego, San Luis Obispo, Santa Barbara, Tulare, and Ventura counties.

Please see the information below to learn more about the process of joining your facility with our Network.

Pending CMS Certification:

Complete the New Facility Application

Submit the Facility Information Form - New Facilities

Sign up for NHSN

The Network will notify you when you can begin signing up for CROWNWeb access

Keep the Network updated on certification status

Upon Receiving the CMS Certification Letter:

Submit the following documents to the Network immediately upon receipt of your CMS Certification letter:

A copy of the **CMS Certification Letter**

Memorandum of Understanding (MOU)

Facility Information Update Form

Facility Personnel Update Form | Facility Personnel Definitions

The Network will send a welcome email to the listed Facility Administrator that includes the **Facility Orientation and Resource Packet**.

The Network will also mail the Grievance Poster (English and Spanish versions). **These must be posted in your facility where patients and State Surveyors can easily see them.**

Sign up for our ESRD Network Blog Posts. The blog provides information for ESRD facilities including important dates, product recalls, and CROWNWeb information.

Contact the Network with any questions. Please also review the remaining Network website

<http://www.esrdnetwork18.org>, which has valuable resources for providers and patients.
